

PAID 8-WEEK SUMMER CONSTRUCTION INTERNSHIP

TRACK II ADVANCED

This opportunity will prepare interns to select a construction career path—union apprenticeship training, a construction related post-secondary track, or direct entry into the construction workplace, if desired. Interns visit apprentice training centers and receive training and supervision from industry experts as they complete projects using both hand and power tools.

For high school youth 16-21 years old with interest in investigating construction as a career.

WHAT YOU'LL LEARN

- Hands-on lessons from industry professionals
- Tour local unions, job sites, and construction companies
- Earn OSHA 10 certification
- Construction pathway guidance, placement, and mentoring
- Workplace readiness skills
- Construction career networking
- Construction math
- Financial literacy training
