

# PAID 8-WEEK SUMMER CONSTRUCTION INTERNSHIP

## TRACK I INTRODUCTION

In Track I, interns focus on building hands-on projects with tools. Interns receive an overarching introduction to career opportunities within the building trades and construction industry (i.e. carpentry, pipefitting and electrical etc.). Interns are also exposed to industry related careers such as architecture, surveying, estimating, project management, and design build.

**For high school youth 16-21 years old with little or no experience in construction.**

## WHAT YOU'LL LEARN
