

LEARN2BUILD

LOOKING FOR A FRESH WAY TO PROVIDE MIDDLE SCHOOLERS WITH EXCITING, MEANINGFUL LEARNING EXPERIENCES?

Learn2Build, a program of the Construction Careers Foundation (CCF), provides construction career exposure for middle school youth by offering activity kits, hands on events, and resources for teachers to use in their own classrooms.

The Construction Careers Foundation is a 501(c)3 not-for-profit organization that partners with schools and community-based organizations to bring construction to youth.

LEARN2BUILD PROGRAMMING

EXPLORING THE WORLD OF CONSTRUCTION THROUGH HANDS-ON, S.T.E.A.M. ACTIVITIES.

ACTIVITY KITS

Each kit includes building materials, a selection of hand tools to keep, safety equipment, and printed directions.

EVENTS

Learn2Build events provide construction career exposure for middle school youth through construction camps and after-school programming.

TEACHER RESOURCES

Learn2Build offers materials and supplemental resources to middle school teachers throughout Minnesota for implementation in their own classrooms.

STUDENTS LEARN

- To correctly use tools
- To explore careers in construction
- To apply math and science skills
- Relationships between construction, energy, and the environment

STUDENTS WILL

- Work individually and in teams
- Learn about construction concepts and designs
- Conduct exciting, creative activities focused on the building trades
