

PAID 8-WEEK SUMMER CONSTRUCTION INTERNSHIP

TRACK II ADVANCED

This opportunity will prepare interns to select a construction career path—union apprenticeship training, a construction related post-secondary track, or direct entry into the construction workplace, if desired. Interns visit different apprentice training centers where they receive training and supervision from industry experts as they complete projects using both hand and power tools.

***For high school youth 16-21 years old with interest in investigating construction as a career choice**

WHAT YOU'LL LEARN

- Hands-on lessons from industry professionals
- Tour local unions, job sites, and construction companies
- OSHA 10 certification
- Construction pathway guidance, placement and mentoring
- Workplace readiness skills
- Construction career networking and connections
- Construction math
- Financial literacy training
