

MN TRADES ACADEMY PAID 8-WEEK SUMMER CONSTRUCTION INTERNSHIP

ADVANCED TRACK

This opportunity will prepare interns to select a construction career path: union apprenticeship training, construction related post-secondary tracks, or direct entry into the construction workplace if desired. Interns visit different apprenticeship training centers where they receive training and supervision from industry experts as they complete projects using both hand and power tools.

For high school youth 16-21 years old with interest in investigating construction as a career.

WHAT YOU'LL LEARN

- Hands on lessons from industry professionals
- Tour local unions, job sites, and construction companies
- Earn OSHA 10 certification
- Construction pathway guidance, placement and mentoring
- Financial literacy training
- Workplace readiness skills
- Construction math
- Construction career networking
